jQuery Free Practice

Lesson Time: 180 Minutes

In this lesson, you'll work through some practical exercises using jQuery. There is nothing to turn in on this lab.

Go to https://www.w3resource.com/jquery-exercises/part1/index.php and start looking at the Practical Exercises Part 1. Each Exercise has HTML examples and solution. Be sure to look at the solution to learn how the task can be done. Ask your instructor any questions you have about a particular problem.

The exercises to attempt:

Exercise number:
1, 2, 3, 4, 7, 13, 14, 15,17, 25, 29, 30, 42, 47, 49, 50

If you get through all of these exercises before the end of class, feel free to continue doing more on your own.
